Research

Christine & John Bowers would like to thank those who have provided information on the History of Waikato Outdoor Society to place into a book to be printed for the club's 50th anniversary in 2017.

They now have lots of information to collate and would appreciate someone to help with this task. If you have some time and would like to help please contact Christine on 07 855 1997, Fax 07 855 1921 or email

Preparations for Renew are going wonderfully but we would still like some help with treatments.

We are specifically looking for a hairdresser and a masseuse but if you have any other skills you think would be useful please get in touch as well.

As you are offering your time and skills you would be welcome to attend the full weekend for no charge and we are happy to reimburse you for the cost of any products you use. You are also welcome to take bookings and sell products to any of the attendees at the weekend.

Please contact Carrie on carrie.lex@gmail.com if you are interested or for more information
