Presidents report - By Lex

Just a very short newsletter this month, with nearly all of the committee away or busy we didn't manage to have a meeting in September so the next one will be on Friday October the 14th at 7pm and as always you are more than welcome to attend.

Many thanks to those who helped out at the working bee, more details are in the newsletter. My apologies for not attending but work called and I hear that it was a fun and productive day.

Also please note we have been in touch with BOP Sun Club regarding the Phoenix shield and we have decided as we both have busy club schedules and it would clash with the congress we will not be holding it this year and will pick up again in 2017.

Yours Naturally

Lex

Working Bee— Thank You

A very big thanks needs to go to the 11 willing workers; David, Sherida, Colin, Jean, Gail, Mike, Rod, Bruce, John, Christine and Tom.

Tasks completed: cleaning ovens, fridges, freezers, BBQ, floors and walls of the shop room, ablution rooms, cabin and caravan, removal of cobwebs and slide and fitting the replacement fly screen.

In the week prior Rod started the driveway sign clean and prep for painting while Colin and Jean donated and planted two Totara trees in the gully.

Two prospective members arrived in the afternoon, stayed for Happy Hour and pot luck dinner and were so impressed that they filled out a membership form.

Research

Christine & John Bowers would like to thank those who have provided information on the History of Waikato Outdoor Society to place into a book to be printed for the club's 50th anniversary in 2017.

They now have lots of information to collate and would appreciate someone to help with this task. If you have some time and would like to help please contact Christine on 07 855 1997, or email christine.bowers@xtra.co.nz.

Wanted

If anyone has any sheets of corrugated iron suitable to build wood storage facilities on the club grounds it would be much appreciated—also marine ply to extend the outdoor sports equipment storage cupboard—see Bruce or contact Kevin 0274 979 550
