Editors note

Hi all—I haven't received a presidents report this month as our intrepid leader John is in the middle of moving houses. Not a lot to report this month as we're in the lead-up to the AGM so I'll keep this brief.

Carrie

Working Bee Sunday the 15th May from 10am

Many hands make light work so please come and join us. There are a number of trees which need felling and a few other tidy up jobs required. Once the work is done (or just when we need a break) join in a potluck lunch.

Positions at WOS - Expressions of Interest

With the AGM drawing ever closer it is time to start thinking about who you would like to make up your new committee but it is also time to review some positions – maybe you would like to take on a role?

Did you know that you don't have to hold a committee position to take on a number of jobs around the club such as custodian, newsletter editor, webmaster, grounds and building etc.

As such we are calling for expressions of interest for these roles AND for people who would like to stay at WOS permanently.

If you have any questions, or would like to apply please email us at waikato.outdoor@gonatural.co.nz

WOS AGM – We need you!!!!

The AGM is scheduled for **Saturday the 21st of May** – please put this in your diaries now as we value your input and to do this you need to be there.

The schedule for this year is as follows:

AGM at 2pm

Afternoon tea (3pm approx.)

Followed by happy hour and pot luck tea

Now is the ideal time to be considering whom you would like on the committee. To assist you in this I have included a nomination form with this email. At present I have received very few nominations for committee so if there is someone you feel would be effective in this role please talk to them and get a nomination in.

Please note—The deadlines for proxy votes and remits has now passed. Nominations close on the 7th of May.

Copies of all remits will be sent out with the agenda 7 days prior to all members.

Things to note, changes to the constitution have to be approved by the charity commission; changes to bylaws can be passed at the meeting. Also we need to ensure that bylaws don't contradict the constitution.

Please also note that we can only hold the AGM if we have a quorum which is 25% of members (full & country) so please make an effort to be there.
