Editor’s Ramblings

Well December has arrived and nearly gone where did time go?

Christmas will be upon us very soon, a time to celebrate, a time to reflect, a time to rest up, a time soak up those vitamin Dsss, a time to catch up with all those people you have missed during the winter months.

Come along and practice those games ready for the Mini Rally, have you booked? **Last few days to get the discount.**

Bring along something for one of the Mini Rally raffles– Grocery Basket, Beauty Basket, or Drinks Basket. We have organized the quick fire raffles so no need to panic—what shall I donate? No Need.

I have to remind everyone who lights the spa pool fire please please make sure the pumps are turned on and watch the temperature, it does not take a lot to get the temp up to **47c Too Hot!**. Then you have to add **Cold water** which is a scarce commodity in the summer!

The new shade cloth over the deck works well especially for the shorter people and umbrellas are available for around the pool as well and of course there are our new Barbeque/shade houses.

Merry Christmas everyone Sherida

Merry Christmas from your President

Reflecting on **Christmas** time here at WOS generates thoughts of the varied aspects and enhancements to our lifestyle we gain from being a part of our enterprising club we have here just a few minutes drive from the fastest growing city of Hamilton.

During my many years of membership and a rewarding term as **President** I have witnessed the quite remarkable changes and advancement this club has made at our Matangi property since memorable beginnings at our previous home on the slopes of Mt Pirongia.

Sure all of us here have dedicated a segment of our lives toward building the significant facilities we enjoy here but also we have enhanced our lifestyles by establishing this amazing umbrella of hospitality and secure friendship that all of us embrace and live under.

WOS is always a sanguine destiny for us to come and relax among real friends in an atmosphere that reflects **Christmas** all year round. We have bumps and even hurdles that slow our progress at times but they have no chance of tripping up the happy team of campers and winners at WOS. Therefore for me and I am sure many others here at WOS **Christmas** is a time to reflect on many things— but inevitably our thinking travels out to our club at Matangi where life has a variety of celebrations all year round and we are rapt to have the presence of genuine friends to share these special times with.

Therefore it is a huge shout out to all our team of very special WOS membership people and our many friends, wishing you all a very happy and wonderful **Christmas** break and great times together for 2026
