From the Editor

WOS is ticking along sweetly as usual but have noted some thinning of the ranks over the cooler months of the year as some of our members tend to vamoose off to warmer climates for a while and leave us to tend the home fires.

Ken and Rae were early starters off exploring in Europe, Bill & Gail snuck off across the ditch for some Aussie hot spots, Warren and Robyn took off for an in depth excursion around Europe, Kevin & Peggy are also floating around a few European countries catching up with relatives and basking in warm places, Mike to Canada, Bruce is going off to goodness knows where this time plus I know a few others have had or will have trips away that we have not heard much about yet.

Depleted numbers mean no committee meeting this month but that will be no deterrent for the keen WOS members turning out for social on site happenings that seem to be part of the ongoing philosophy when at WOS of ensuring everybody has a great time. There's always something happening here to suit a variety of tastes plus the opportunity of after dinner relaxing and socializing by the fire with friends is pretty popular. The temptation of weekends relaxing at WOS seems to be an ideal break for many of our busy people.

What did we do at WOS on Saturday

Saturday 17th August a happy bunch of members came to the club to take part in a variety of weekend light hearted activities in true WOS tradition.

Paul & Kevin planted a Rimu tree

Trudy organised a card making class

Keith's card of merit.

Some played 8 ball and darts

Most weekends there will be a group staying over for a relaxing break and on this occasion there was a robust sequence of pool and darts games combined with other happenings such as tree planting, a card making class, and music interludes. The spa was again a hot favourite as were a few rounds of five crowns and the Saturday night Chinese meal was just perfect - topped off with the winning after dinner serve the all blacks dished up to our Aussie friends. The option of an evening by the fire also has appeal. It is becoming a rather pleasant habit spending frequent weekends with friends at WOS - doing nothing in particular and at a pretty easy pace as well.

Some watched the all blacks in the evening.

Some did productive stuff

WOS GETS IT'S OWN TRAILER

Bruce B kindly donated his trailer to WOS recently. It was not road worthy but was great for on site firewood work.

Kevin got stuck in and stripped it down - rebuilt the suspension and carried out other repairs to get it back to warrant of fitness standard. He then cleaned up and repainted it and WOS now has this roadworthy legal transporter added to our stable of assets.

Many thanks to both Bruce and Kevin

Back in use again

[A reminder to our visitors and members](#) :- Here at WOS we have NO paid staff of any kind. The nice tidy and presentable grounds and kitchen and ablution areas you see here are kept to a standard entirely by volunteer members. You are expected to adhere to the traditional camping laws of cleaning up after yourselves and **taking your rubbish with you**. Don't tag yourself as the type that expects others to clean up your mess.

We are on Facebook and Twitter as well

BIG thank you goes out to John B for for installing all the electrical equipment for the new pool shed.

Thank you John you have done a lot here for your WOS friends.

It was a festive amateur night down at the club - Kev had had a few tipples so thought he would entertain with his self taught ability on the ukulele. Kev stood on the table and bashed out a couple of renditions of typical kiwi songs and afterwards noticed a visitor lady wipe a tear from her eye. Thinking she was overcome with emotion Kev approached her and asked - “ Are you a Kiwi too?” “No” she said with a sob. “I’m a music teacher.”
