## THE NAKED NEWS

### Editors Notes:

What an eventful last week of summer, new Covid restrictions, mass exodus of people on Auckland motorways trying to get out, intermingled with people trying to get into Auckland, making the motorways a lottery to use. It appears Covid is going to be a new way of life for a while yet.

Even though summer is coming to a close and Covid restrictions somewhat curtail what we can and cannot do, please visit our club whenever possible and enjoy each others company. There are people within our club that live by themselves and would welcome some friendly conversation and camaraderie. More and more members are playing "5 Crowns" (card game) after dinner and to get your name in the score book as a winner is a momentous occasion, albeit bragging rights only last until the next game.

Looking back over the summer WOS has really had a bumper season notably the paying off our mortgage, the cabin becoming self funding with all monies owing settled, our fantastic New Years Eve Party, the highly successful mini games held at Waitangi weekend and all thanks to you our members and visitors who supported us.

As you are aware the committee at previous AGM's asked members what their wish list for the future of the club would look like. Subsequently the ideas were placed in a priority list which is

discussed by the committee on a regular basis, although the AGM is a few months away give some thought on what your priorities are and if they have changed.

A confirmed date for the AGM (Covid willing) is the 22<sup>nd</sup> May 2021. Time to be advised at a later date.

## Letters to the Editor:

Look forward to hearing your views .

An elderly man in Florida owned a large farm. He had a large pond in the back. It was properly shaped for swimming, so he fixed it up nice with picnic tables, horseshoe courts, and some orange and lime trees.

One evening the old farmer decided to go down to the pond, as he hadn't been there for a while, to look it over.

He grabbed a five-gallon bucket to bring back some fruit. As he neared the pond, he heard voices shouting and laughing with glee.

As he came closer, he saw it was a bunch of young women skinning-dipping in his pond.

He made the women aware of his presence, and they all went to the deep end.

One of the women shouted to him, "We're not coming out till you leave!"

He frowned, "I didn't come down here to watch you ladies swim naked or make you get out of the pond naked."

"I'm here to feed the alligator."

## Waikato Outdoor Society Social Events

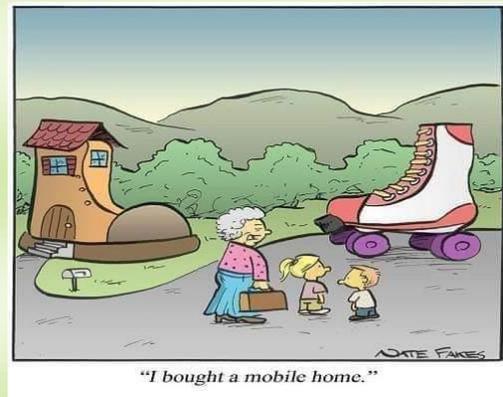

Column Number 9.

**The Naked Bush Walk** came around quickly after our Mini Rally. Nine members and guests met up at WOS 9.30am on a sunny Saturday morning. We carpooled and followed Rod out to Ed Hillary Reserve towards Raglan. This is a DOC track and open to the public. We met one other naturist at the

carpark and just as we were leaving the summit another couple (clothed) who came up from the other side. We had lots of great vistas from the open track. Thanks to Rod for guiding us, we look forward to the next one. Maybe less hills!! 😊
